

Ordering Outcome Enquiry Cards & Materials

We welcome your order, but before you send this form, did you know that this is the most expensive way to obtain Outcome Enquiry Cards? You can download and print Outcome Enquiry Cards from www.bestvalueHE.org.uk free of charge, where an email version and a letter version are also available. Universities and colleges can automate their responses to email enquiries, so many of them may prefer to receive emails rather than cards. **However without seeing the printed materials students struggle to understand how to send Outcome Enquiries, and make inappropriate HE choices. We recommend that schools and colleges order a convenient ready-made Guidance Office Pack, or download and print cards and posters.**

bestvalueHE produce two sets of materials:

1. bestvalueHE Guidance Office Pack

- One A3 full colour "At the Open Day" poster which explains why students send Outcome Enquiries
- One hundred Outcome Enquiry Cards
- One card display stand themed to the poster

2. Outcome Enquiry Card Refill Pack

- One hundred Outcome Enquiry Cards
